

World Refugee Day Celebration

Washtenaw Refugee Welcome (WRW) is an ecumenical volunteer group of citizens, community, and faith organizations dedicated to identifying and mobilizing community resources to help agencies in welcoming and supporting refugees in Washtenaw County

Celebrating the connections they have built and the friendships they share across Washtenaw County (and the world!), on June 20, 2018, WRW celebrated World Refugee Day with a potluck dinner at Holy Faith Church.

Thank you to everyone who attended!
